

Salone Di Capelli Bridal Questionnaire & Quote Form

Instructions: If you would like a quote for just the bride, please just complete page 1. If you would like a quote for the bride as well as additional guests, please fill out as many pages as needed. Please return your completed form to us either in person or via email. When reserving appointments for multiple Bridal-related guests we consider that a Bridal Package. If you are booking for 5 or more guests (including the bride), you have the option to have us host you and your guests as a private Bridal Package Event at no additional cost!

TRIAL-RUN: We require all Brides to schedule a Trial-Run Appointment at least 2 weeks before the wedding date. At this appointment, the Bride will have the opportunity to try a few styles to decide exactly how she would like her hair for her wedding day and will leave with her completed hairstyle. We will also provide a complimentary Makeup consultation at which we will pick out your makeup and test your color selections. This is about a 2 hour block of time total, for which are only charged \$71. We recommend planning other events on this day so you can take advantage of having your hair done (Like a Shower or Bridal Photoshoot)!

SHAMPOOING: Hair that is styled in a Full Up-do should be washed the day/evening before the hair appointment. We do not recommend getting a Shampoo/Blowdry the day of a Full-Updo appointment because the finished style will not hold as well.

STYLISTS/PRICING: All Hair Special Occasion service prices are based on the availability of our stylists, the thickness of the hair, length of the hair, time allotted, added specialty work, and added services. Makeup prices are fixed, based on time and added services.

BRIDE OR WEDDING PLANNER RESPONSIBILITIES:

As the bridal services or package contact, I understand that I, _____ am responsible for making sure that I am prepared to make the final payment and gratuity payment in full by the date of the wedding. I understand that if participating in a Bridal Package, I am also responsible for giving each guest their Guest Card (supplied) before the wedding date, as well as making sure they each understand their individual guest responsibilities. I will also let them know what is, and is not, included for their services in the package that I have selected.

INDIVIDUAL GUEST RESPONSIBILITIES:

At the Bride's Trial-run appointment, we will provide her with Guest Cards for each of the guests if she is participating in a Bridal Package. The Guest Cards include their service information and notes about how to best prepare for their services. All guests receiving Special Occasion Services need to have washed their hair the night before the service for us to guarantee the quality and hold of the Service unless otherwise specified by their stylist. The hair must be dry upon their arrival to the salon. Anyone arriving with wet hair to an appointment will have a minimum of \$30 added to their service price and their appointment may take 30 - 45 minutes longer depending on the length/hair-type/thickness of the hair. Adding such a service is not always an option though if the stylist does not have the extra time available during the reserved time-slot. To prepare for makeup services, we request that all guests come with their face freshly washed, all makeup removed, and face already moisturized. For Bridal Packages, all guests are requested to be ready for to their services 15 minutes before their scheduled time. For Bridal Packages, we also request that guests arrive 15 mins before the first services begin to give them time to settle in and enjoy refreshments!

We are very excited to host your Bridal Hair event! Thank you for choosing Salone Di Capelli!
